No. 1

I am forwarding herewith Copy of an Extract from letter No 977, of the 6th Inst. from the Deputy Superintendent Cudoor on the subject of a Petition preferred by the agent of the Lingera Ram Villages, for the erection of a Cattle Pound, for the Confinement of Stray Cattle and appropriation for the benefit of the Jageer, the fines & Sale proceeds &c of Cattle and requests that instructions

whether there are any
objections to the same
being complied with

Respectfully

from a letter from the Offg Deputy Superintt of Cudoor & the Superintendent of the Nilgiri Division

977 dated 26th February 1869.

The point for determination is whether the Mutt is authorized to erect a cattle pound, in the Shivaganaiem villages for the confinement of stray cattle, and whether the sale proceeds may be enjoyed by it. I am of opinion, that this privilege may be granted to the Mutt, and even if it is re-served, there will be no substantial benefit to the State, and on the other hand, this piece of interference, on the part of the Sircar will probably give rise to mis-understandings between the Mutt & the Daloda, inasmuch as the former enjoys all the privileges in the Jaghier villages as the Government does in the Amani ones.
